From the New York Courier and Enquirer.

The Chirographic art is much more important to mankind than it is generally considered, and Mr. Goldsmith may vesy well claim to be considered at its head.

Mr. Goldsmith is, par excellence, the pensan of America. He cartainly stands alone, unapproached, in this country, both in the executive department of his art and as an instructor. His pupils rank among the finest pensaen in this community.

We say, attend Goldsmith's school in preference to all others
